

Most major Universities and Colleges have the same requirements. YPM expects each student to follow this guideline.

The a-g requirements can be summarized as follows:

A

History / Social Science - Two years required, including one year of world history, cultures, and geography **and** one year of U.S. history or one-half year of U.S. history and one-half year of civics or American government.

B

English - 4 years of college preparatory English that include frequent and regular writing, and reading of classic and modern literature.

C

Mathematics - 3 years of college preparatory mathematics that include the topics covered in advanced algebra and geometry, and physics.

D

Laboratory Science - 2 years of laboratory science providing fundamental knowledge in at least two of these three disciplines: biology (which includes anatomy, physiology, marine biology, aquatic biology, etc.), chemistry, and physics.

E

Language Other Than English - 2 years of the same language other than English.

F

Visual & Performing Arts - 1 year, including dance, drama/theater, music, or visual art.

G

College Preparatory Elective - In addition to those courses required in "a-f" above, 1 year (two semesters) of college preparatory electives are required, chosen from advanced visual and performing arts, history, social science, English, advanced mathematics, laboratory science, and language other than English.
